

FarSite Communications Ltd

FarSync FLEX and RoHS compliance

In accordance with the European RoHS directives 2015/863/EU and 2011/65/EU FarSite Communications declares conformance as follows.

Products:

The FarSync FLEX products listed below are RoHS compliant under the above directives:

- FarSync FLEX
- FarSync FLEX+
- FarSync FLEX X25
- FarSync BERT Tester – USB
- FarSync BERT HS Tester – USB

Identification:

The FarSync FLEX is identified as being RoHS compliant by a RoHS label, in addition to a serial number traceable to the manufacturing process used to build it.
